Black Series · Linear Lighting System

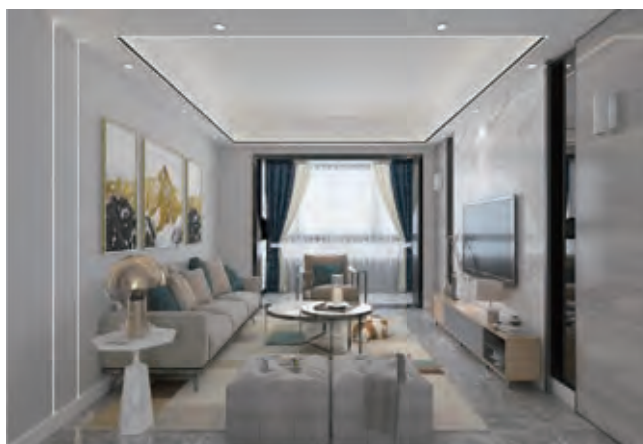

全黑色装饰线形照明系统解决方案

All Black Decorative Linear Lighting System Solution

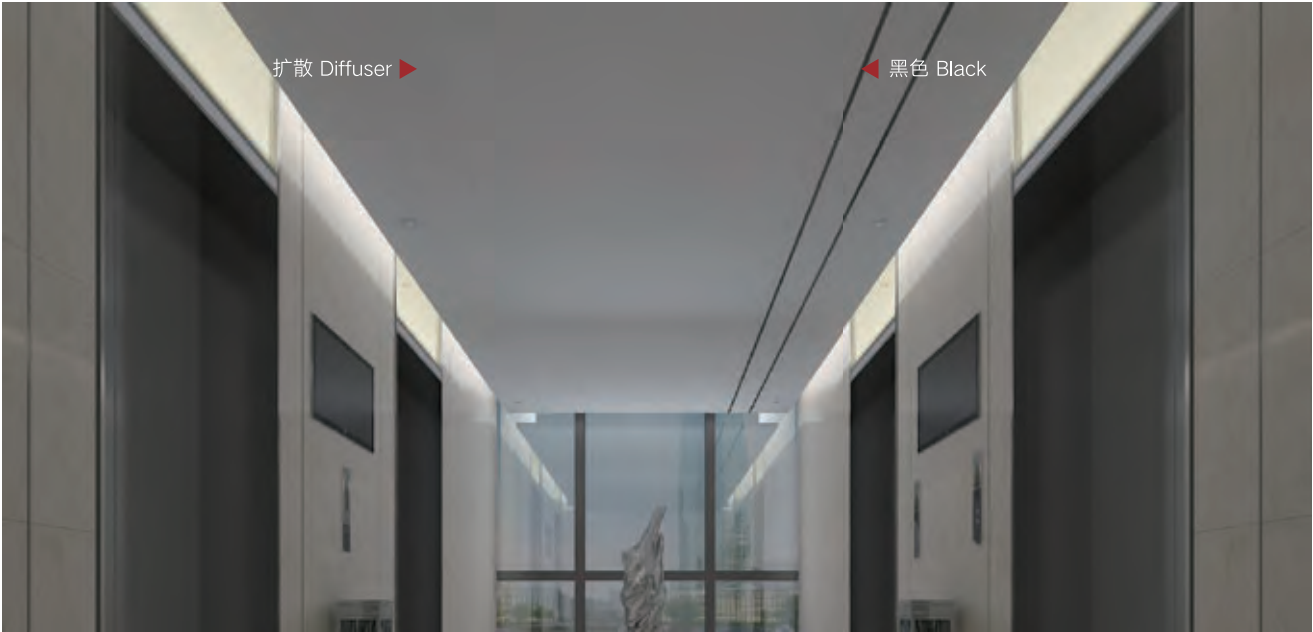

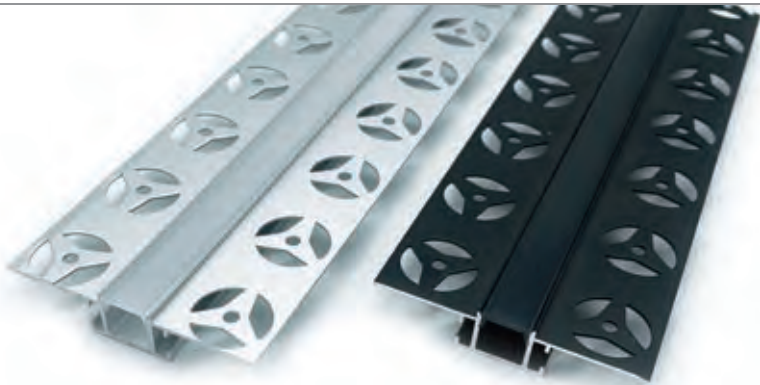

黑色线形灯具有独特的魅力。依靠简单的黑色线条，构造出各种时尚，简单的形状以及光影效果，凸显了线形照明的极致之美。

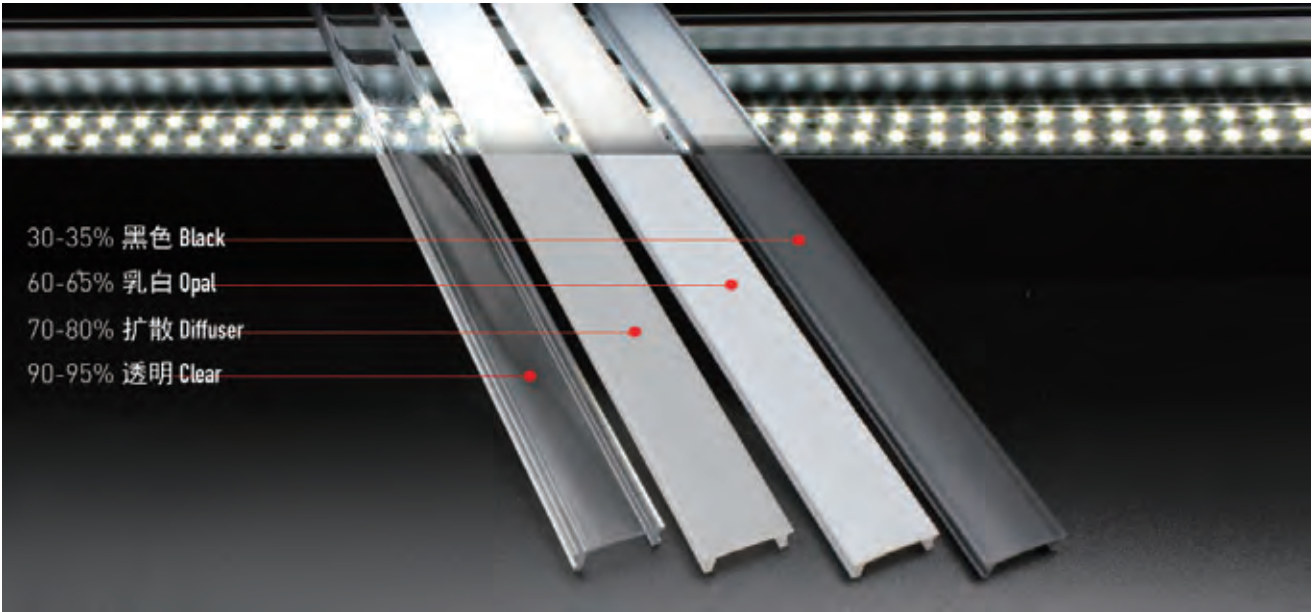

The black linear lamp has a unique charm. Relying on simple black lines, various fashionable, simple shapes and light and shadow effects are constructed, highlighting the ultimate beauty of linear lighting.

应用场景
APPLICATION SCENARIO

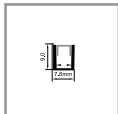

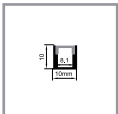

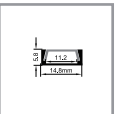

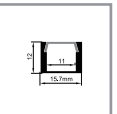

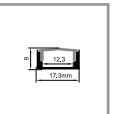

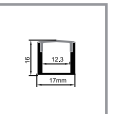

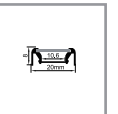

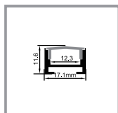

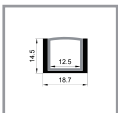

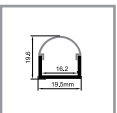

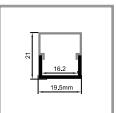

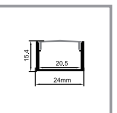

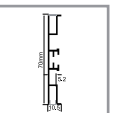

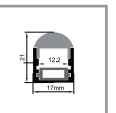

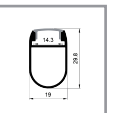

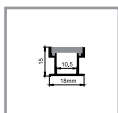

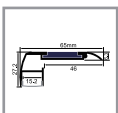

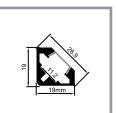

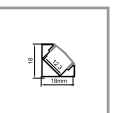

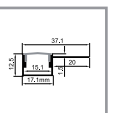

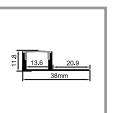

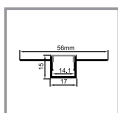

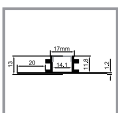

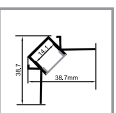

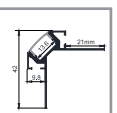

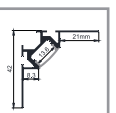

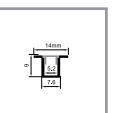

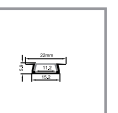

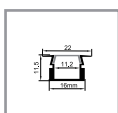

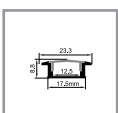

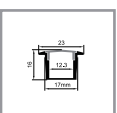

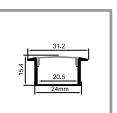

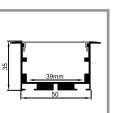

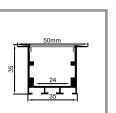

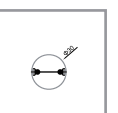

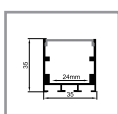

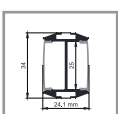

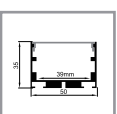

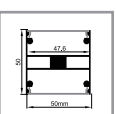

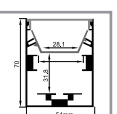

在同一背景下扩散面罩和黑色面罩的对比，黑色更为突出、装饰性更强
The contrast between the diffuse cover and the black cover under the same background, the black is more prominent and more decorative.

PC面罩常规有四种颜色可选，满足不同应用场景的使用需求
The PC cover is generally available in four colors to meet the needs of different application scenarios.
